## **RFP 2024-101 DEVELOPMENT LOAN PROGRAM**

Submitted Questions and BRHP Answers

Does only the primary owner of a project need to complete all the HUD certifications and not any of our contractors or development partners?

Only the primary project owner needs to complete the HUD certifications, contractors and development partners do not.

If the project includes twin 4%/9% LIHTC funding, should we apply as one LIHTC project or as a combined project with two sets of budgets?

BRHP recommends submitting a twinning project as one singular project with two budgets.
